PRICING POLICY

Simple pricing. Everything included.

One transparent licence for the whole Karma AI platform. No feature paywalls, no per-module add-ons.

KARMA AI LICENCE

₹999

per employee / month

- AI daily reports and follow-ups
- AI review and manager summaries
- Tasks, commitments and blockers
- Analytics, dashboards and knowledge base
- 1M DeepSeek tokens per employee / month

Monthly bill estimate

Billing = the greater of ₹25,000 or employees × ₹999.

25 employees	**₹25,000**
50 employees	**₹49,950**
100 employees	**₹99,900**
250 employees	**₹2,49,750**

Hosting & AI usage

Cloud hosting

Karma AI hosted on our secure cloud infrastructure. Standard subscription pricing applies.

Your own server

Deploy on your infrastructure. Server, infrastructure and deployment charges are extra, as actual cost.

AI tokens: each employee includes 1,000,000 DeepSeek tokens per month (≈ $4–5 USD of AI). Beyond the included allowance, usage continues on your own company API key and is billed by the provider as actual usage. Supported providers: Claude, Google Gemini, DeepSeek and OpenAI / ChatGPT.
